Subject: Request for Approval to Admit Students beyond the Sanctioned Seats (25% Increase)

Dear Sir/Madam,

We are writing to seek your kind approval for admitting students beyond the sanctioned seat capacity at YSNM College for the academic year (2021-2022). Due to the overwhelming demand for admissions, especially as reflected through the Chancellor's portal, and in response to the increasing number of qualified applicants, we request permission to increase the intake by 25 percentage / according to the application received on chancellor portal, beyond the sanctioned seat capacity for the following programs:

Program	Sanctioned Seats	Proposed Additional Seat
History	320	730
Hindi	220	470
Political Science	240	290
English	120	200

The increased demand for admission to YSNM College can be attributed to several factors.

- Local Demographic and Social Needs:** A significant proportion of applicants belong to socially and economically disadvantaged groups, making access to higher education crucial for their future prospects.
- Chancellor's Portal Applications:** The number of applications received through the Chancellor's portal has significantly surpassed the existing seat capacity, demonstrating a strong interest from eligible students in joining our institution.

In light of the above, we kindly request the University to grant approval for a 25%/according to the applicant, increase in the sanctioned seats for the above-mentioned programs. This will not only allow us to serve more students but also align with our goal of promoting inclusive education in the region.

We look forward to a positive response and remain at your disposal for any further clarifications or requirements.

With Regards,

Dr. Mohini Gupta
